<u>Title</u>	<u>No. Positions</u>	<u>Salary</u>
Safety Engineer (Provisonal Appointment)	1	Grade 24: \$29.22 - \$32.40 per hour Managerial & Confidential Employees

*Permanent appointment requires successful completion, and placement, thru the Civil Service examination process.

The work involves participating in the design and implementation of a comprehensive workplace safety program for Cattaraugus County. Decreasing the frequency and severity of incidents, avoiding occupational illnesses plus maintaining compliance with federal, state, and local regulations are the incumbent's goals. Duties are performed under general supervision with wide latitude allowed for the use of independent judgement in carrying out the duties of the position. Direct supervision may be exercised over personnel during investigations and during implementation of worksite safety changes. A Safety Engineer does related work as required.

Minimum Qualifications: Either:

A. Graduation from a regionally accredited or New York State registered college or university with a Bachelor's degree in environmental health and safety, risk management and insurance, public administration, human resources, legal studies, criminology or a closely related field and one year of experience in occupational safety and health, insurance, legal proceedings or investigations.

OR

B. Graduation from a regionally accredited or New York State registered college or university with an Associate degree in environmental health and safety, risk management and insurance, public administration, human resources, criminology or a closely related field and two years of experience in occupational safety and health, insurance, legal proceedings or investigations. Proof of certification in a safety related field may be used in lieu of 1 year of the required experience.
