The work involves responsibility for performing a variety of mechanical and other building maintenance, repair, and construction-related tasks. Although a working knowledge of one or more trades is necessary, a Maintenance Worker does not normally utilize the more skilled journeyman techniques for any considerable portion of their time. The work may involve the part-time operation of a truck, automobile, or other automotive equipment. General instructions are received and work is performed under immediate or general supervision, depending upon the nature of the tasks. A Maintenance Worker does related work as required..

Minimum Qualifications:

A.) One year of experience in either general building construction, maintenance, or repair work in one or more of the standard trades, such as carpentry, plumbing, electrical work, masonry, etc.;

OR

B.) One year of experience as a millwright or millwright apprentice.

SPECIAL REQUIREMENT FOR ACCEPTANCE OF APPLICATION: In agencies where required, possession of appropriate class New York State Motor Vehicle Operator's license at time of appointment.

Applications will be accepted on a rolling basis until all positions have been filled.
